▶ Vision and Prayer Focus ~ 2007

- * **The staff at Hope family are currently seeking to get official birth certificates & official personal ID information for each of the girls. It is very difficult to do this without bribes. Pray for favor with the officials.**
- * **This family has been sacrificially giving to many poor families who need help with school tuition, food and clothing. They have a growing vision to help more families and be a light in their strong Hindu neighborhood.**
